

## Yes, I am helping on the long run!

ICEP wants to make a contribution to fight against poverty in developing countries. ICEP is convinced that global development can only function sustainably, if people can be integrated into economic cycles and therefore can live a self-determined life based on their own work.

With my donation I support the projects of ICEP. At the same time, I help to save administrative costs and to plan and secure long-term projects.

Please collect  every 6 months.  every year the following amount \_\_\_\_\_ Euro.
